

2011 MAPCR FALL CONVENTION

OCTOBER 14-16, 2011

DONATION FORM

DONATION FROM

Each year during this meeting, MAPCR hosts a silent auction in which we auction off donated items to raise funds to support our ongoing academic activities. It is through the supportive efforts of organizations, such as yours, that MAPCR can continue to provide academic excellence to their members.

We respectfully request that your organization consider the donation of an item for our silent auction. In return, your organization will be recognized through signage placed with the donated item, in program registration packets, as well as in our newsletter RecordTimes.

We would ask that all donated items be sent to MAPCR offices no later than October 7th and include estimated value.
